

2023 Kentucky GIS Conference

October 10 – October 12, 2023
Owensboro Convention Center
Owensboro, Kentucky

Exhibitor and Sponsor Information

Join us in celebrating another year of outstanding GIS and mapping technology in the Commonwealth. This year's Kentucky GIS Conference will again provide a forum for professionals involved in all aspects of GIS and mapping to meet and share their knowledge and experience. The regional appeal of our conference provides a unique opportunity for geospatial businesses to promote their expertise and products to a large, geographically dispersed audience. Kentucky GIS conference attendance continues to grow. We expect over 300 attendees at this year's three-day event.

We invite you to show your support of the Kentucky GIS and mapping community and increase your visibility as an Exhibitor and/or Sponsor at the 2023 Kentucky GIS Conference.

Exhibitor booths and displays will be in the conference ballroom to maximize participation and visibility during general sessions, meals, breaks and our evening reception.
